OFFICE MEMORANDUM

Subject : Request for assistance in finding the seniority lists for NFU batch fixation for Category C officers

A number of instructions, on how to process NFU benefits for serving/retired officers of organised Group A Central Civil Services, are available on its website. On the issue of batch fixation of Category C officers (entry as DR-STS/DR-JAG), DOPT had clarified the issues on 3-8-2012 and then again on 27-5-2013.

2. As per the latest clarification dt 27-5-2013, the seniority of the Category C officer, for NFU purpose, has to be seen with reference to his date of appointment (and not with reference to the beginning date of NFU that is 01-01-2006). Which means that for deciding the 'batch for NFU' for category C officer, the batch of next junior Category A officer in the seniority list, in which Category C officer had last entered/re-entered as DR-STS or DR-JAG, has to be seen. Accordingly, the date of entry in the last DR grade of Category C officer and the seniority list (which is to be located for finding next junior Category A officer in that list), is mentioned below, in respect of serving/retired Category C officers :

SL	Name and present grade of serving/retired officer, who is/was serving <u>on 01.01.2006</u> , for screening for NFU in SAG/HAG grades, as per <u>qualifying service (QS)</u> in present RRs (For JAG to SAG = 8 years QS (and after 05-11-2008) for SAG to HAG = 3 years QS)	Joining dates in the grade last joined as DR (DR-STS/DR-JAG)	Seniority list (<u>branch wise</u>) in which his next junior Category A officer has to be located, for the purpose of batch for NFU.
Category C officers in service on 01.01.2012 and to be screened for NFU in SAG/HAG grades as per QS in RRs			
1.	Sh. UC Nahta, SAG	DR-JAG on 31.07.1985	JAG seniority list as on 01.01.1986
